alternate drop offs to the office
via a note.)

Baseball and Softball:

*Practices will be starting
soon!*

*Your child will be bringing
home schedules once they are
established.*

Message from the nurse:

There have been multiple
reported cases of the flu. The
CDC continues to recommend
you keep your child home from
school until at least 24 hours
after they are free of fever
(100.0 or greater) without the
use of fever-reducing
medication.

Also, cough drops are not
allowed in school without a
note from the doctor. Cough
drops are considered over the
counter medication.

April 2010

What is Happening at Chelsea School?

April showers and spring weather here we come! Just because there is no snow on the ground does not mean that the cold days are behind us. We would like to remind parents to please send their children in dressed for the conditions. We want our kids warm, comfortable and dry so that they can get the most out of their time at recess and when they re-enter the classroom for learning.

We would like to thank all of our parents that attended Parent/Teacher Conferences. It is great to see the parents in the school and involved in their children's education. Even though the kids do not always display their appreciation for this type of involvement, it is vital for their academic and social success. Keep it up!!

Our 5-8 teachers recently went live with Grade Book. This is a data system, through Powerschool, that our school uses for grading. What this means is that parents and students can log on to the program and check on HW, projects, test, quizzes etc. All parents and students were mailed a copy of their log in and password information to access their child's work. We remind parents to please give the teachers a few days to enter the assignments into the computer before you check on it. We are suggesting that if parents go on every 2-3 days you will find yourself very well informed! Hopefully if this is kept up, the days of not knowing if an assignment was passed in are long gone!! We believe that this system can really change the way parents support their child's progress!!

The drama club at Chelsea School is gearing up to perform their version of "The Emperor's New Clothes." under the direction of Mrs. Dunn and Mr. Morgan. The students will be performing Thursday Night April 14th at 6:30 p.m. at the Togus VA Theater. Each year Chelsea's drama team puts on a different performance and it is always a good show. There is no charge for this event. Just come and enjoy our young actors and actresses who have been working so hard to get ready!

Reminder that we do not have staff on duty in the morning until 7:45 a.m. Please do not drop off your child until then. Thank you.

Chelsea School has experienced a great deal of internet and connectivity issues. If you have recently tried to reach us through internet or checked Gradebook, our staff has not been able to access these items. If you have not received a response from an email please call the school.

We send notices through emails. If you have not received emails, please send your email address to the office and we will add you to our mailing list.
